It's official - Summertime is here in Indy! Show off your toenails in any of the 40 different shades of Dr.'s Remedy organically-enriched nail polish designed to prevent dry, discolored nails without all the harsh chemicals most nail polishes contain. Dr.'s Remedy nail polish can be purchased in any of our IPG locations.

- Podiatrist recommended
- Cruelty-free tested
- Can be used in conjunction with other anti-fungal regimens

Call today or stop by any location to find out more.
